

# Valmar Hospital in Ensenada.

From the job site or camp make your way back to the main road (HWY 1). Head North to Ensenada when you reach the primary intersection Delante.   You will have a mall on your left with an Office Depot in the mall. Turn right at this corner. Turn left at Dunas the block before you get back to the water front street. ★ Marks the location on the Valmar Hospital.   If you reach the Pemex on your right you have gone to far but are close.
